Responsibilities

1. Using Signal is a hard requirement.
2. One hour call, once a quarter.
3. Review the app, make it better.
4. Be open to me picking your brain.

Group Exercise

What laws and regulations do whistleblowers in your sector need to understand (for example, HIPAA, SEC/FINRA, KYC), and how did those rules shape your own disclosure journey?

Async Exercise

What usually triggers disclosure in your sector, and how did that trigger show up in your own journey or a similar case?

Tips for using Signal

- 1. Download Signal desktop for easier chatting and video meetings.**
- 2. If Signal is too loud, go to the Board group and mute notifications.**
